

DWARSDOORSNEDE

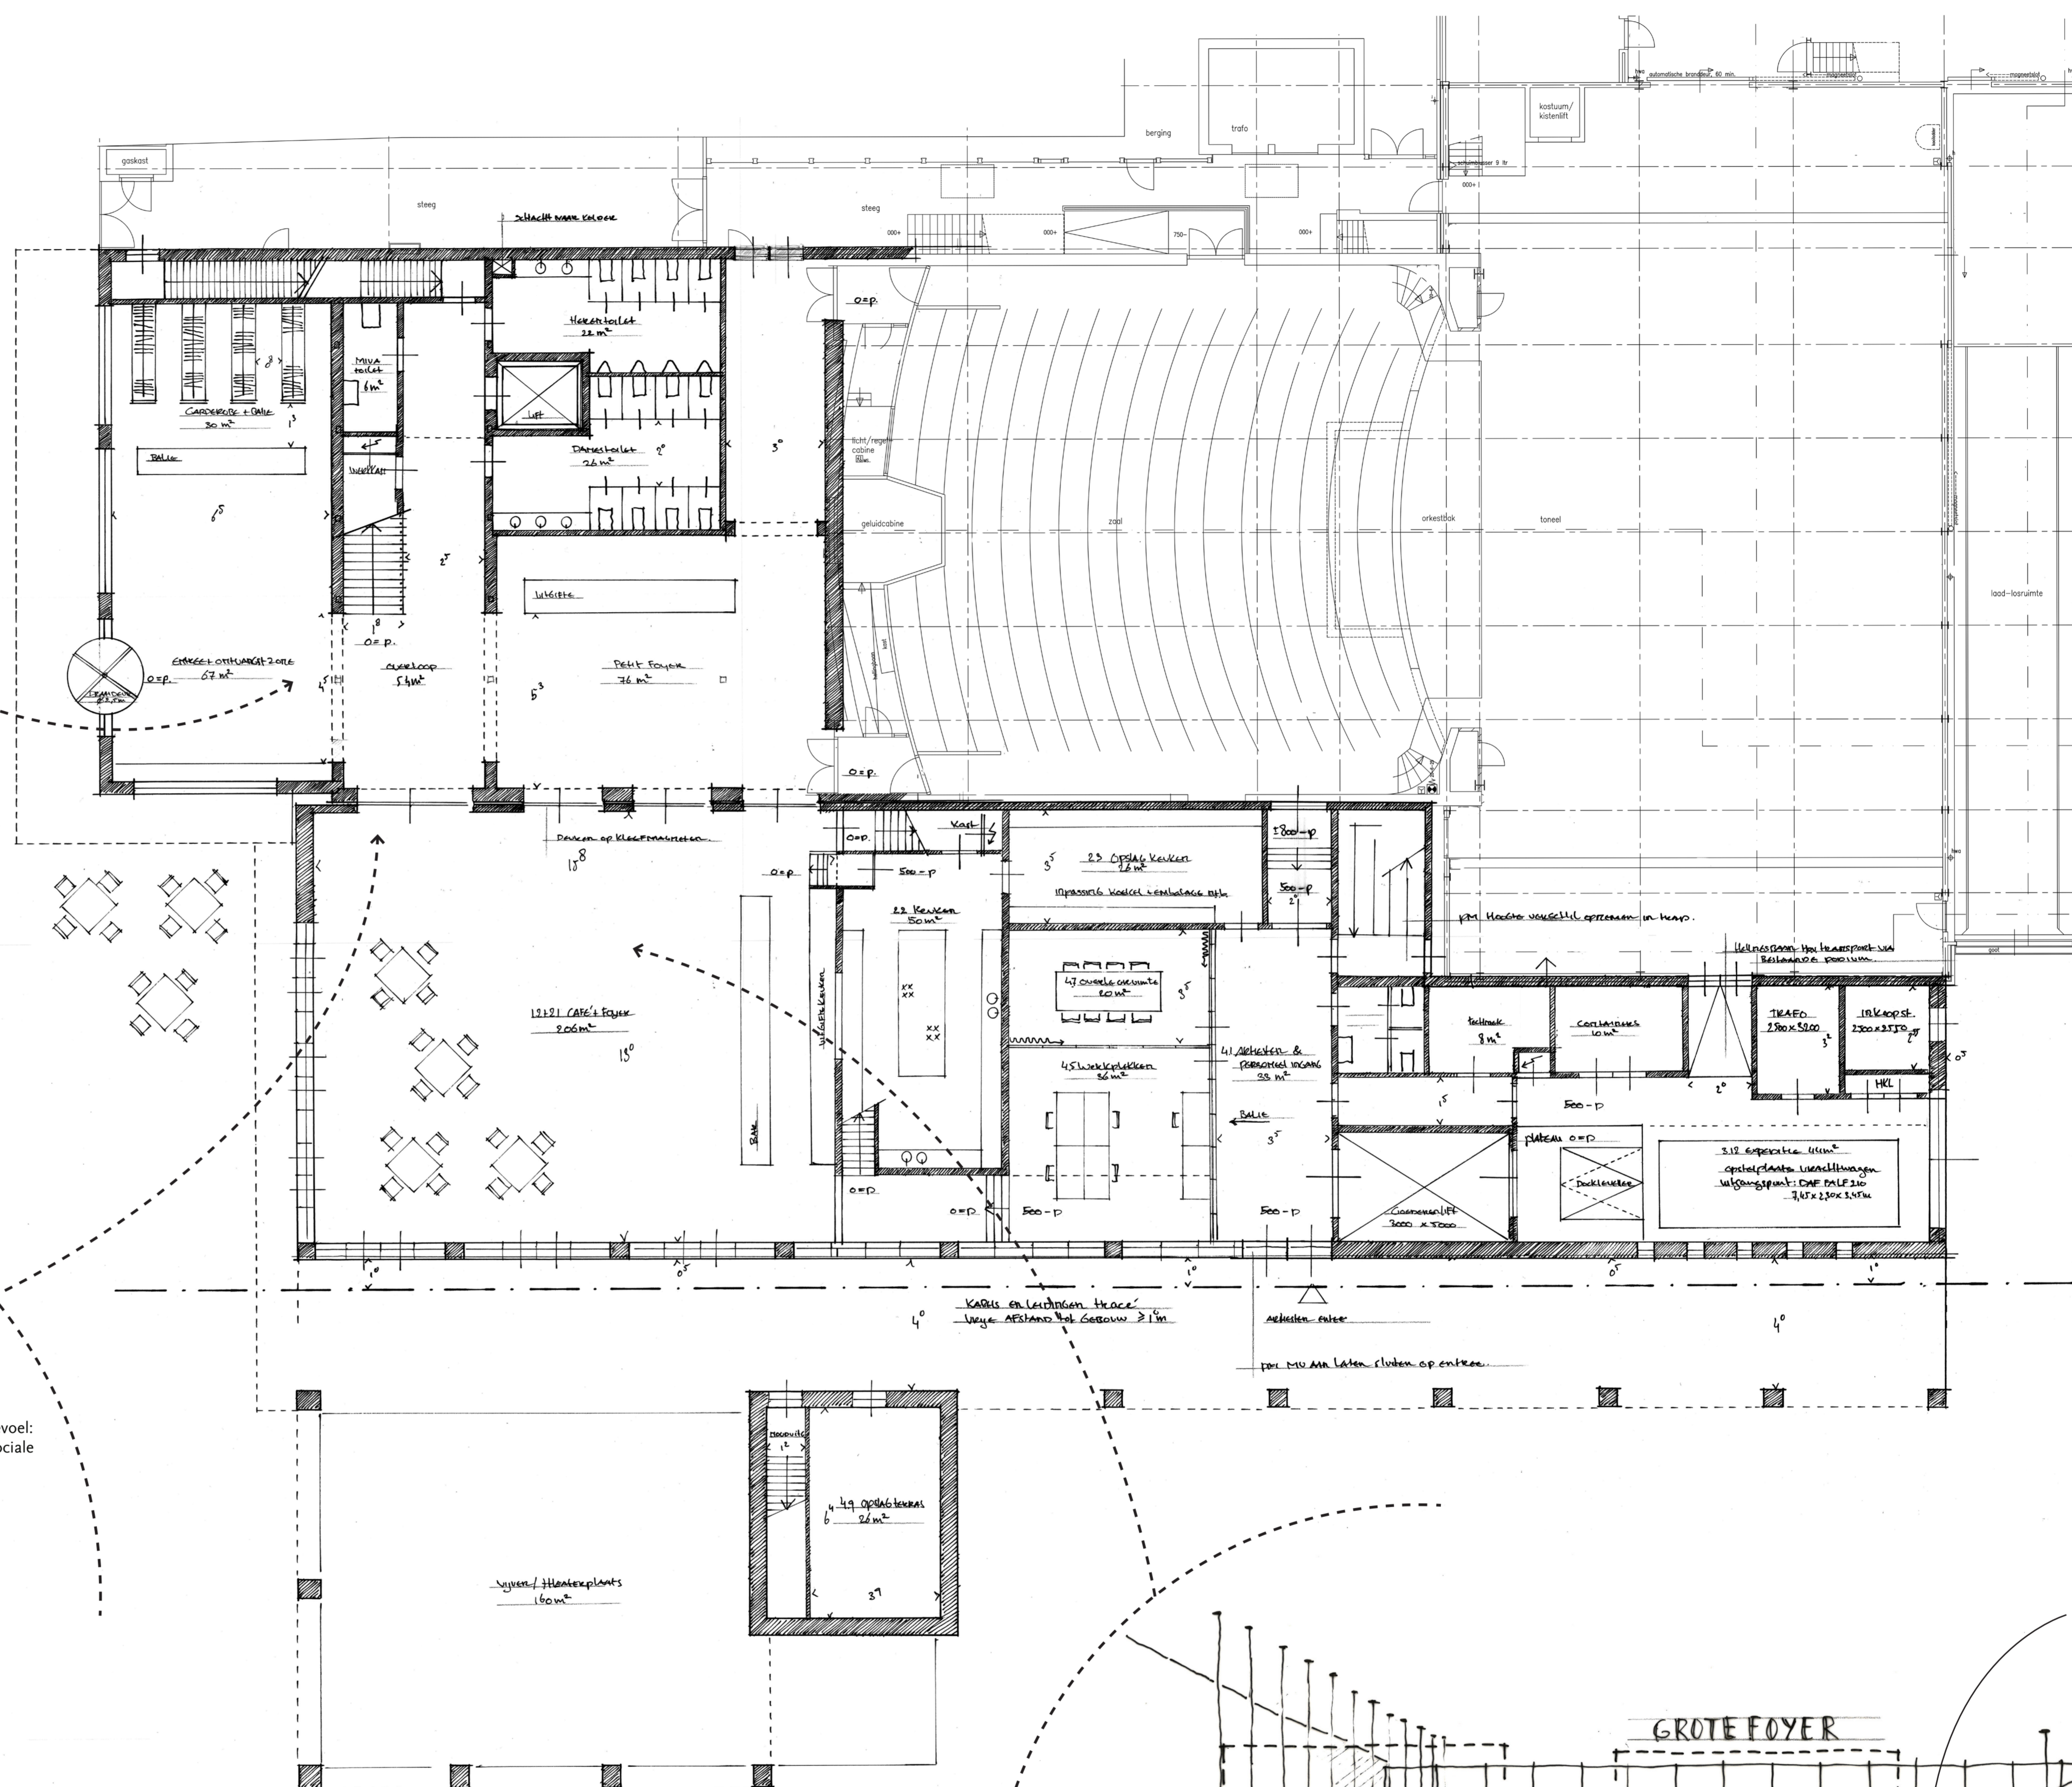

LANGSDOORSNEDE

Kleine foyer als opmaat naar café en voor kleinere gezelschappen

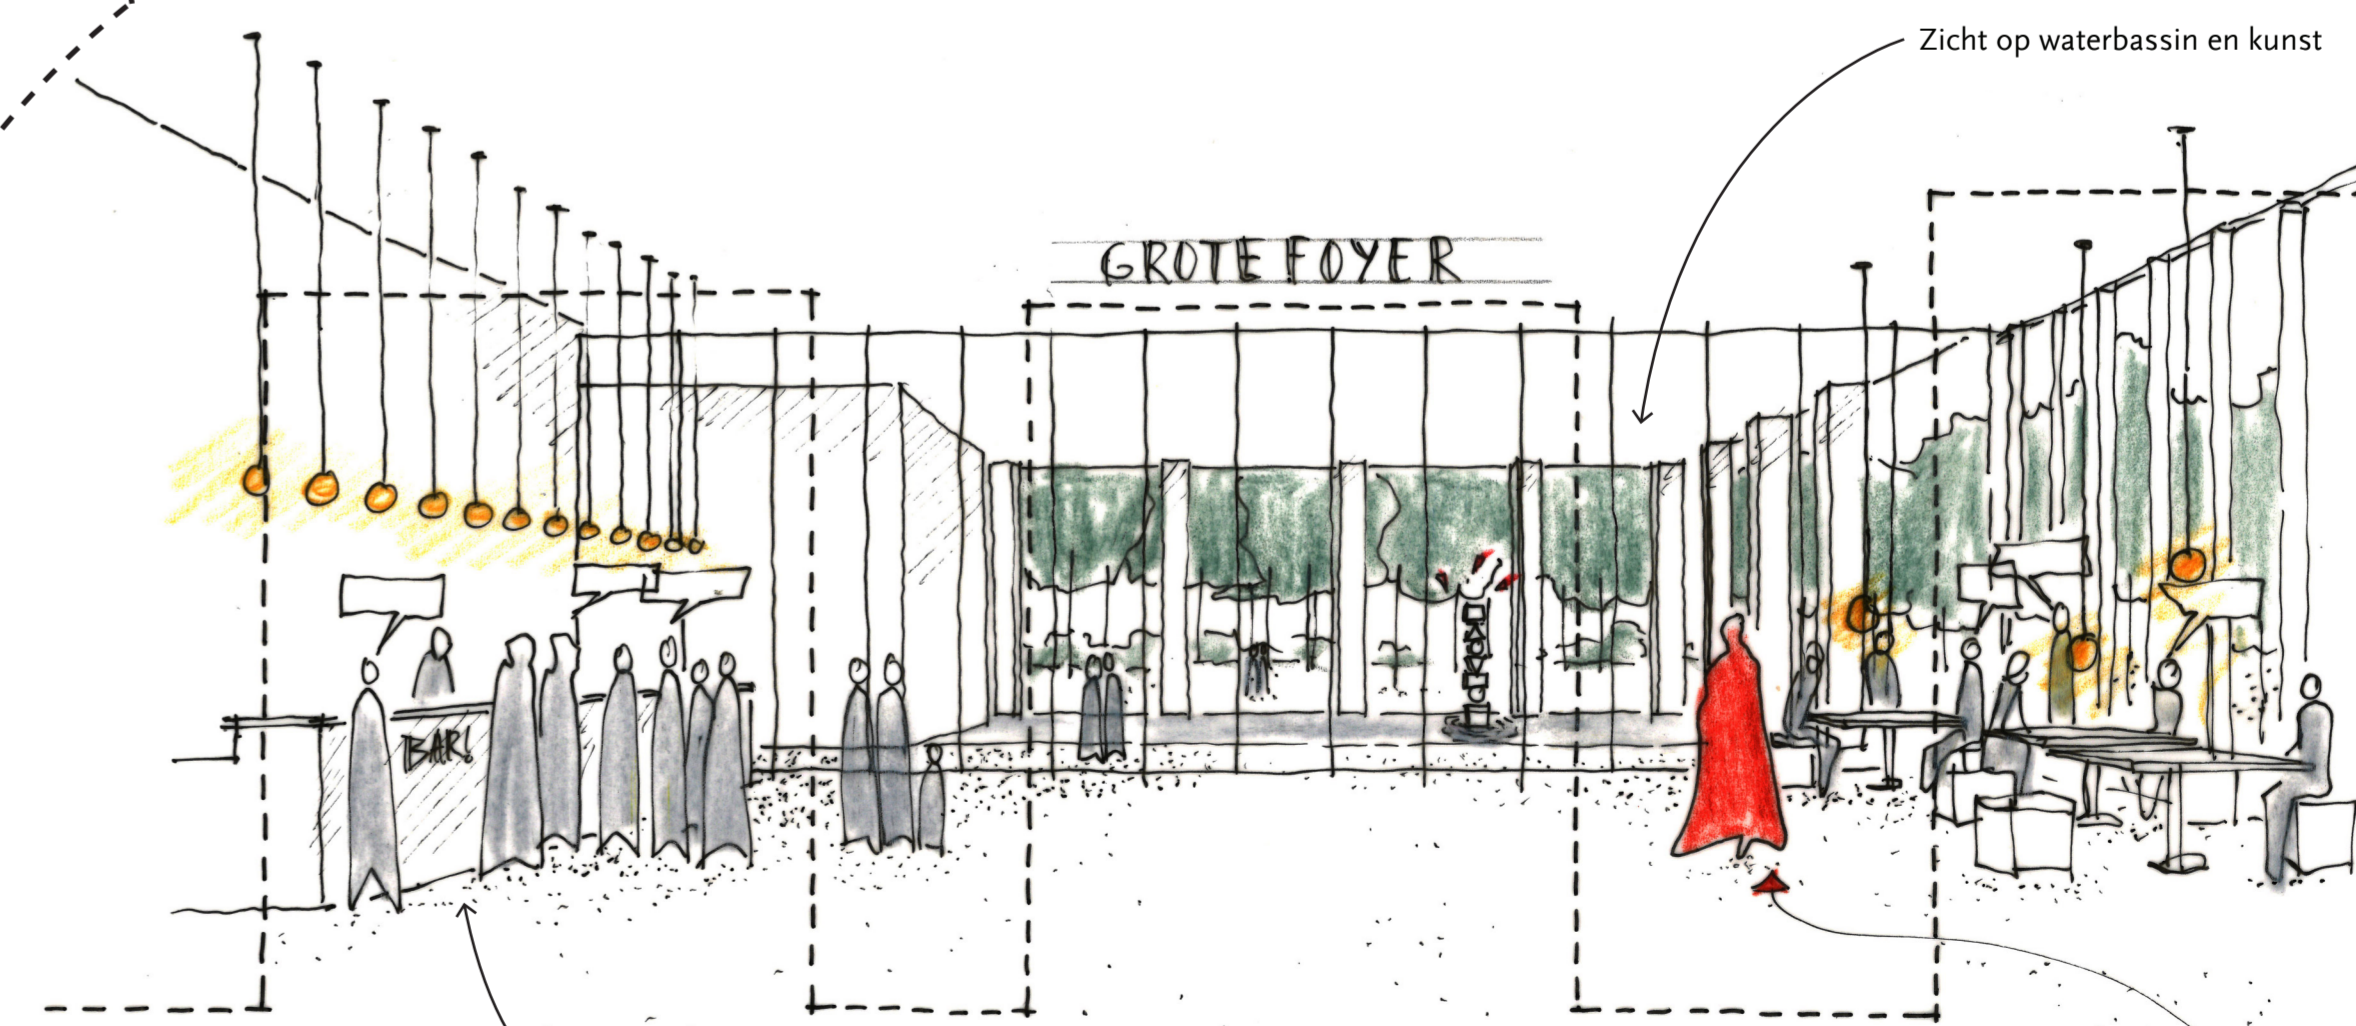

Trap naar verdiepingen

Een groene omgeving werkt rustgevend op mensen

Omgevingsfactoren die bijdragen aan een veilig gevoel: verlichting, overzicht en sociale controle

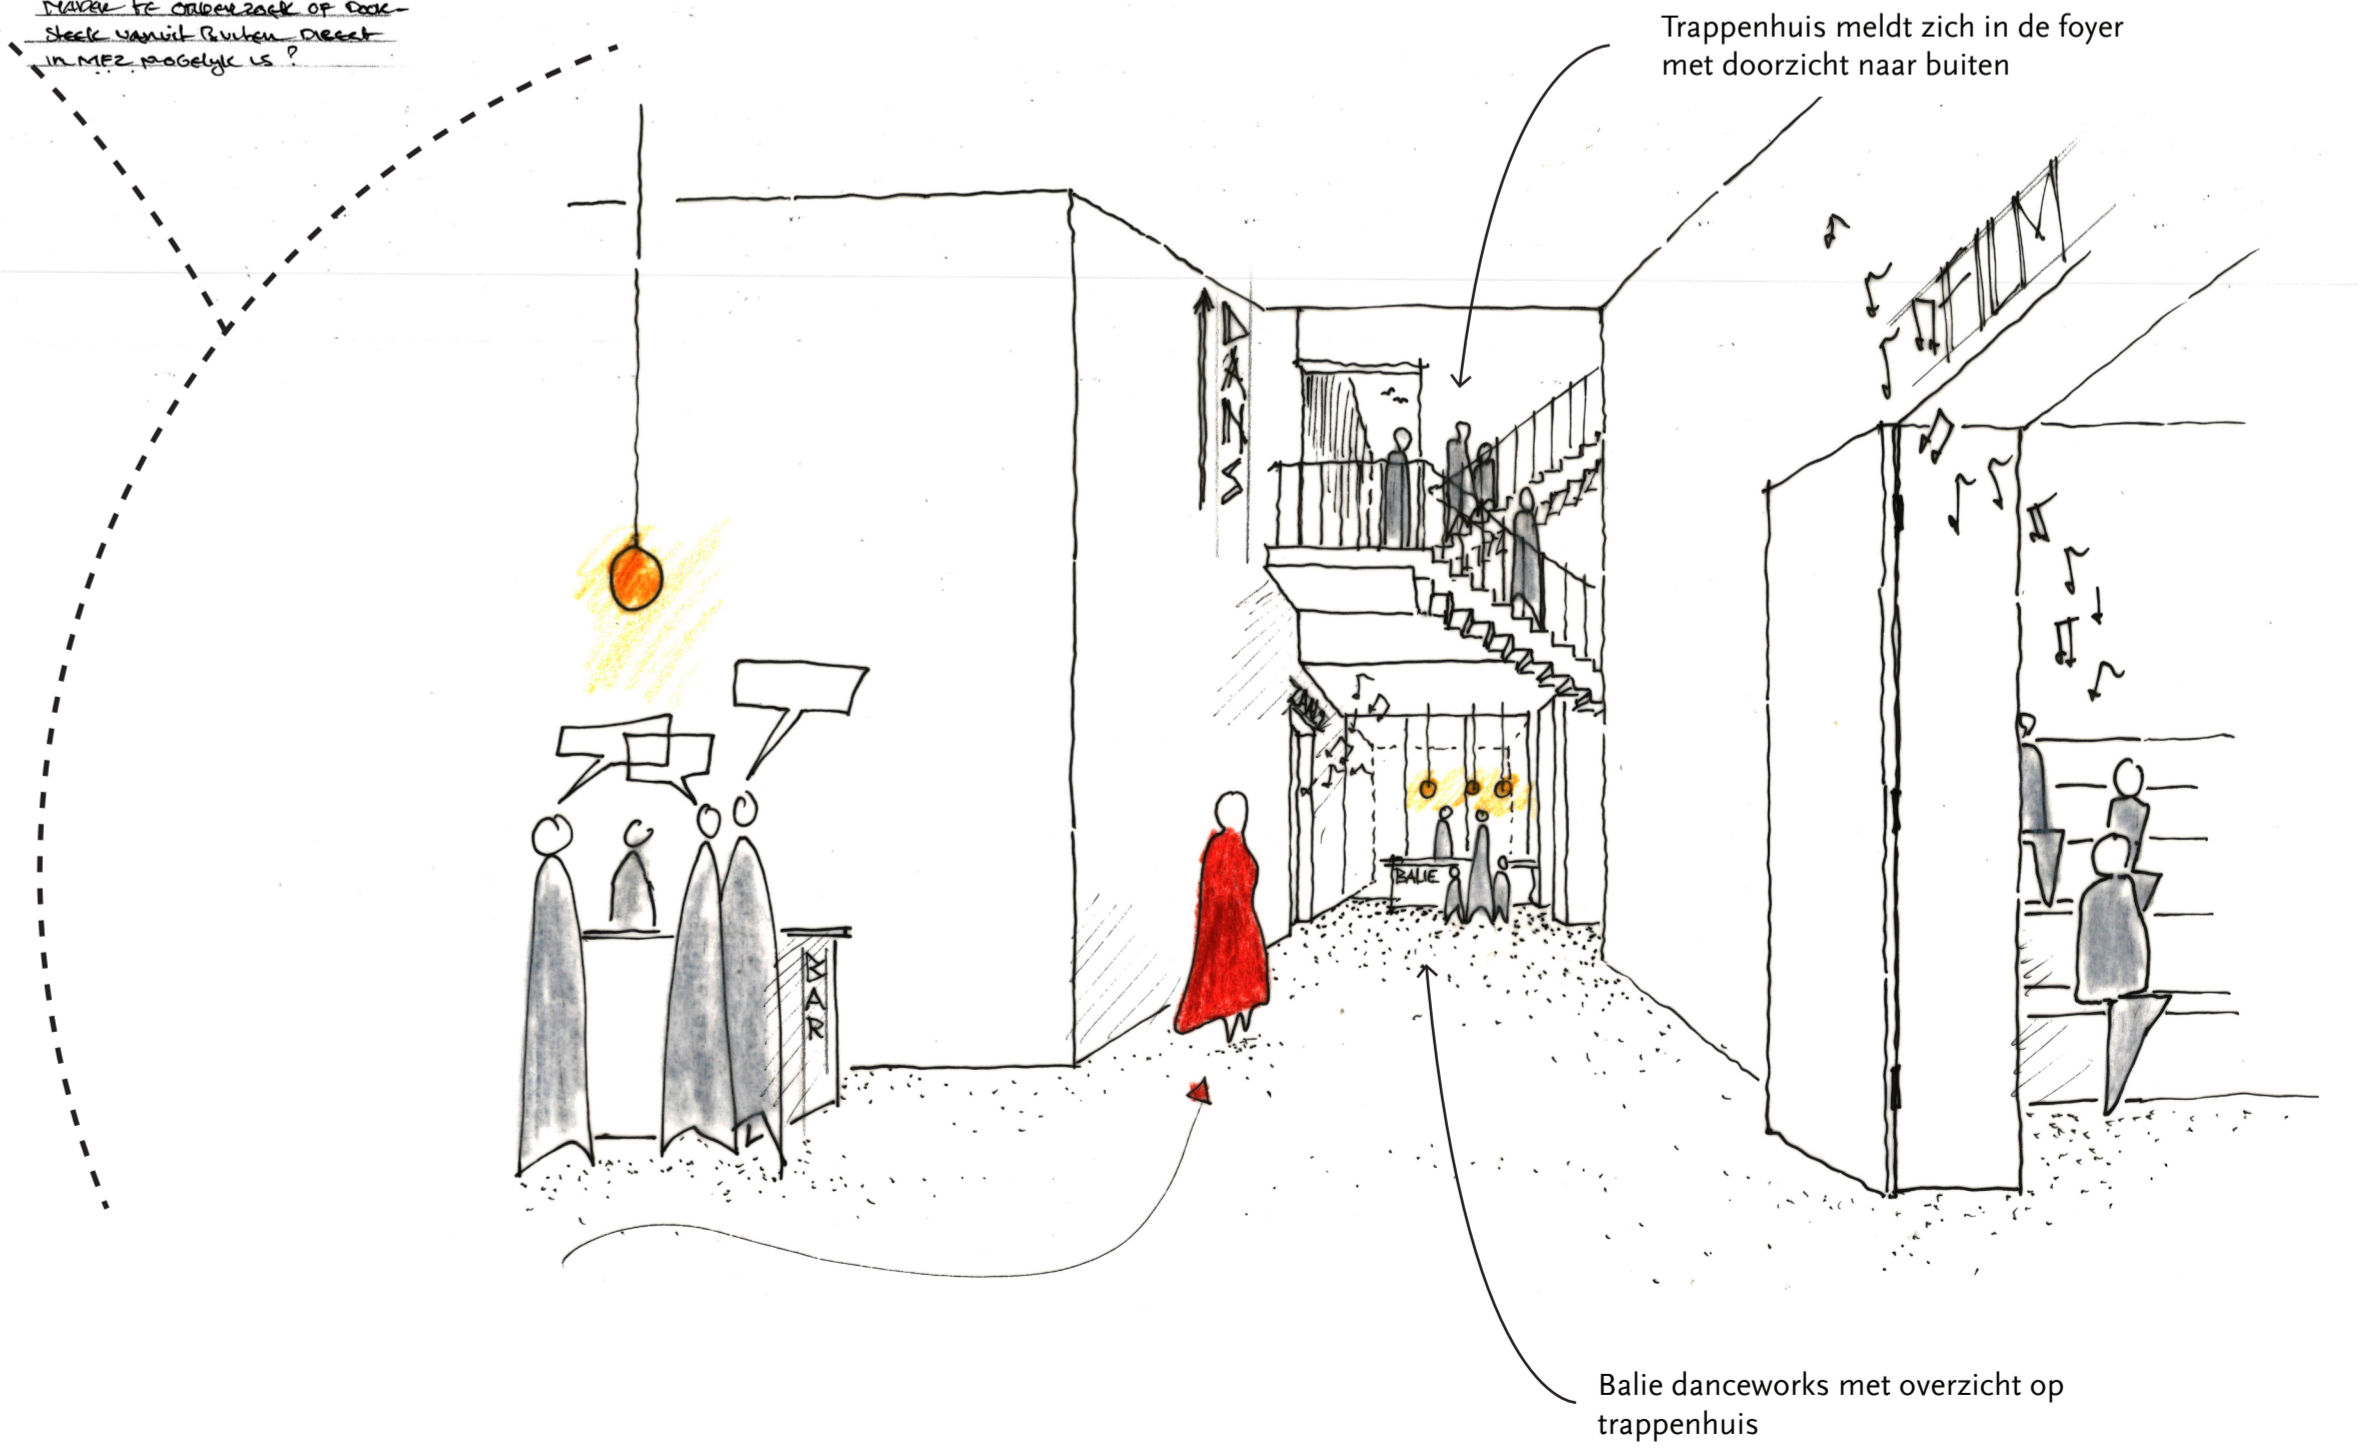

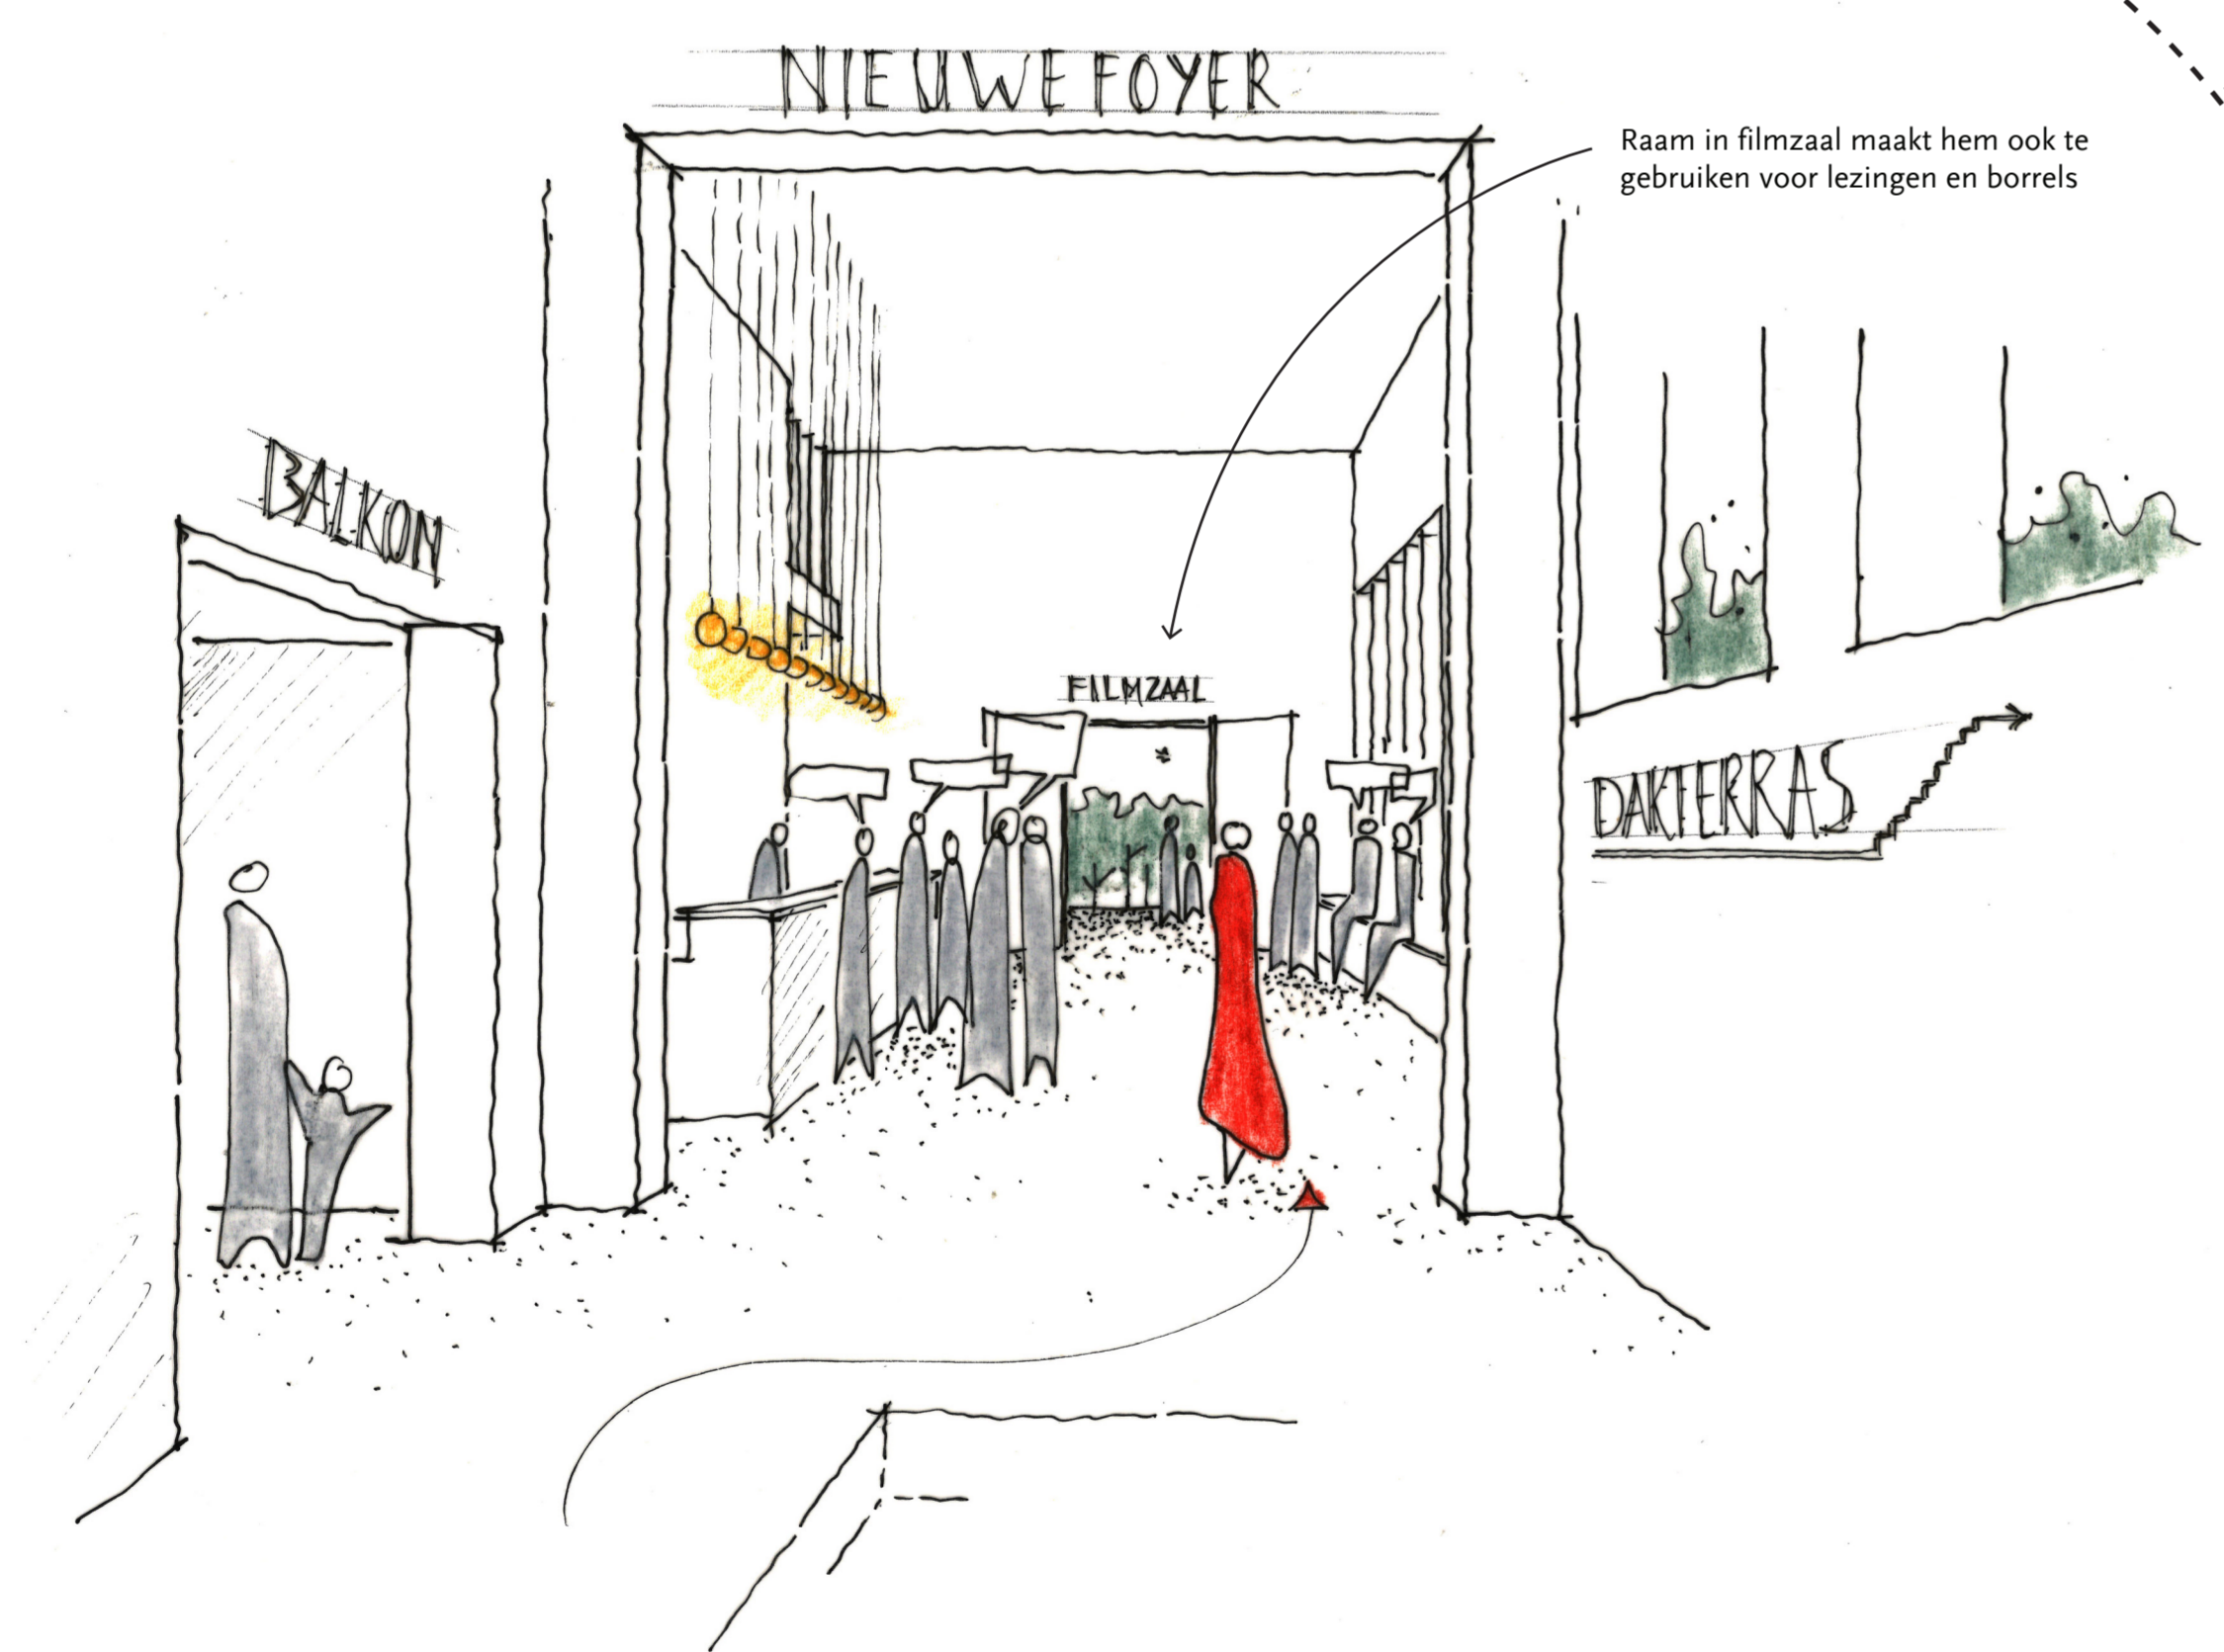

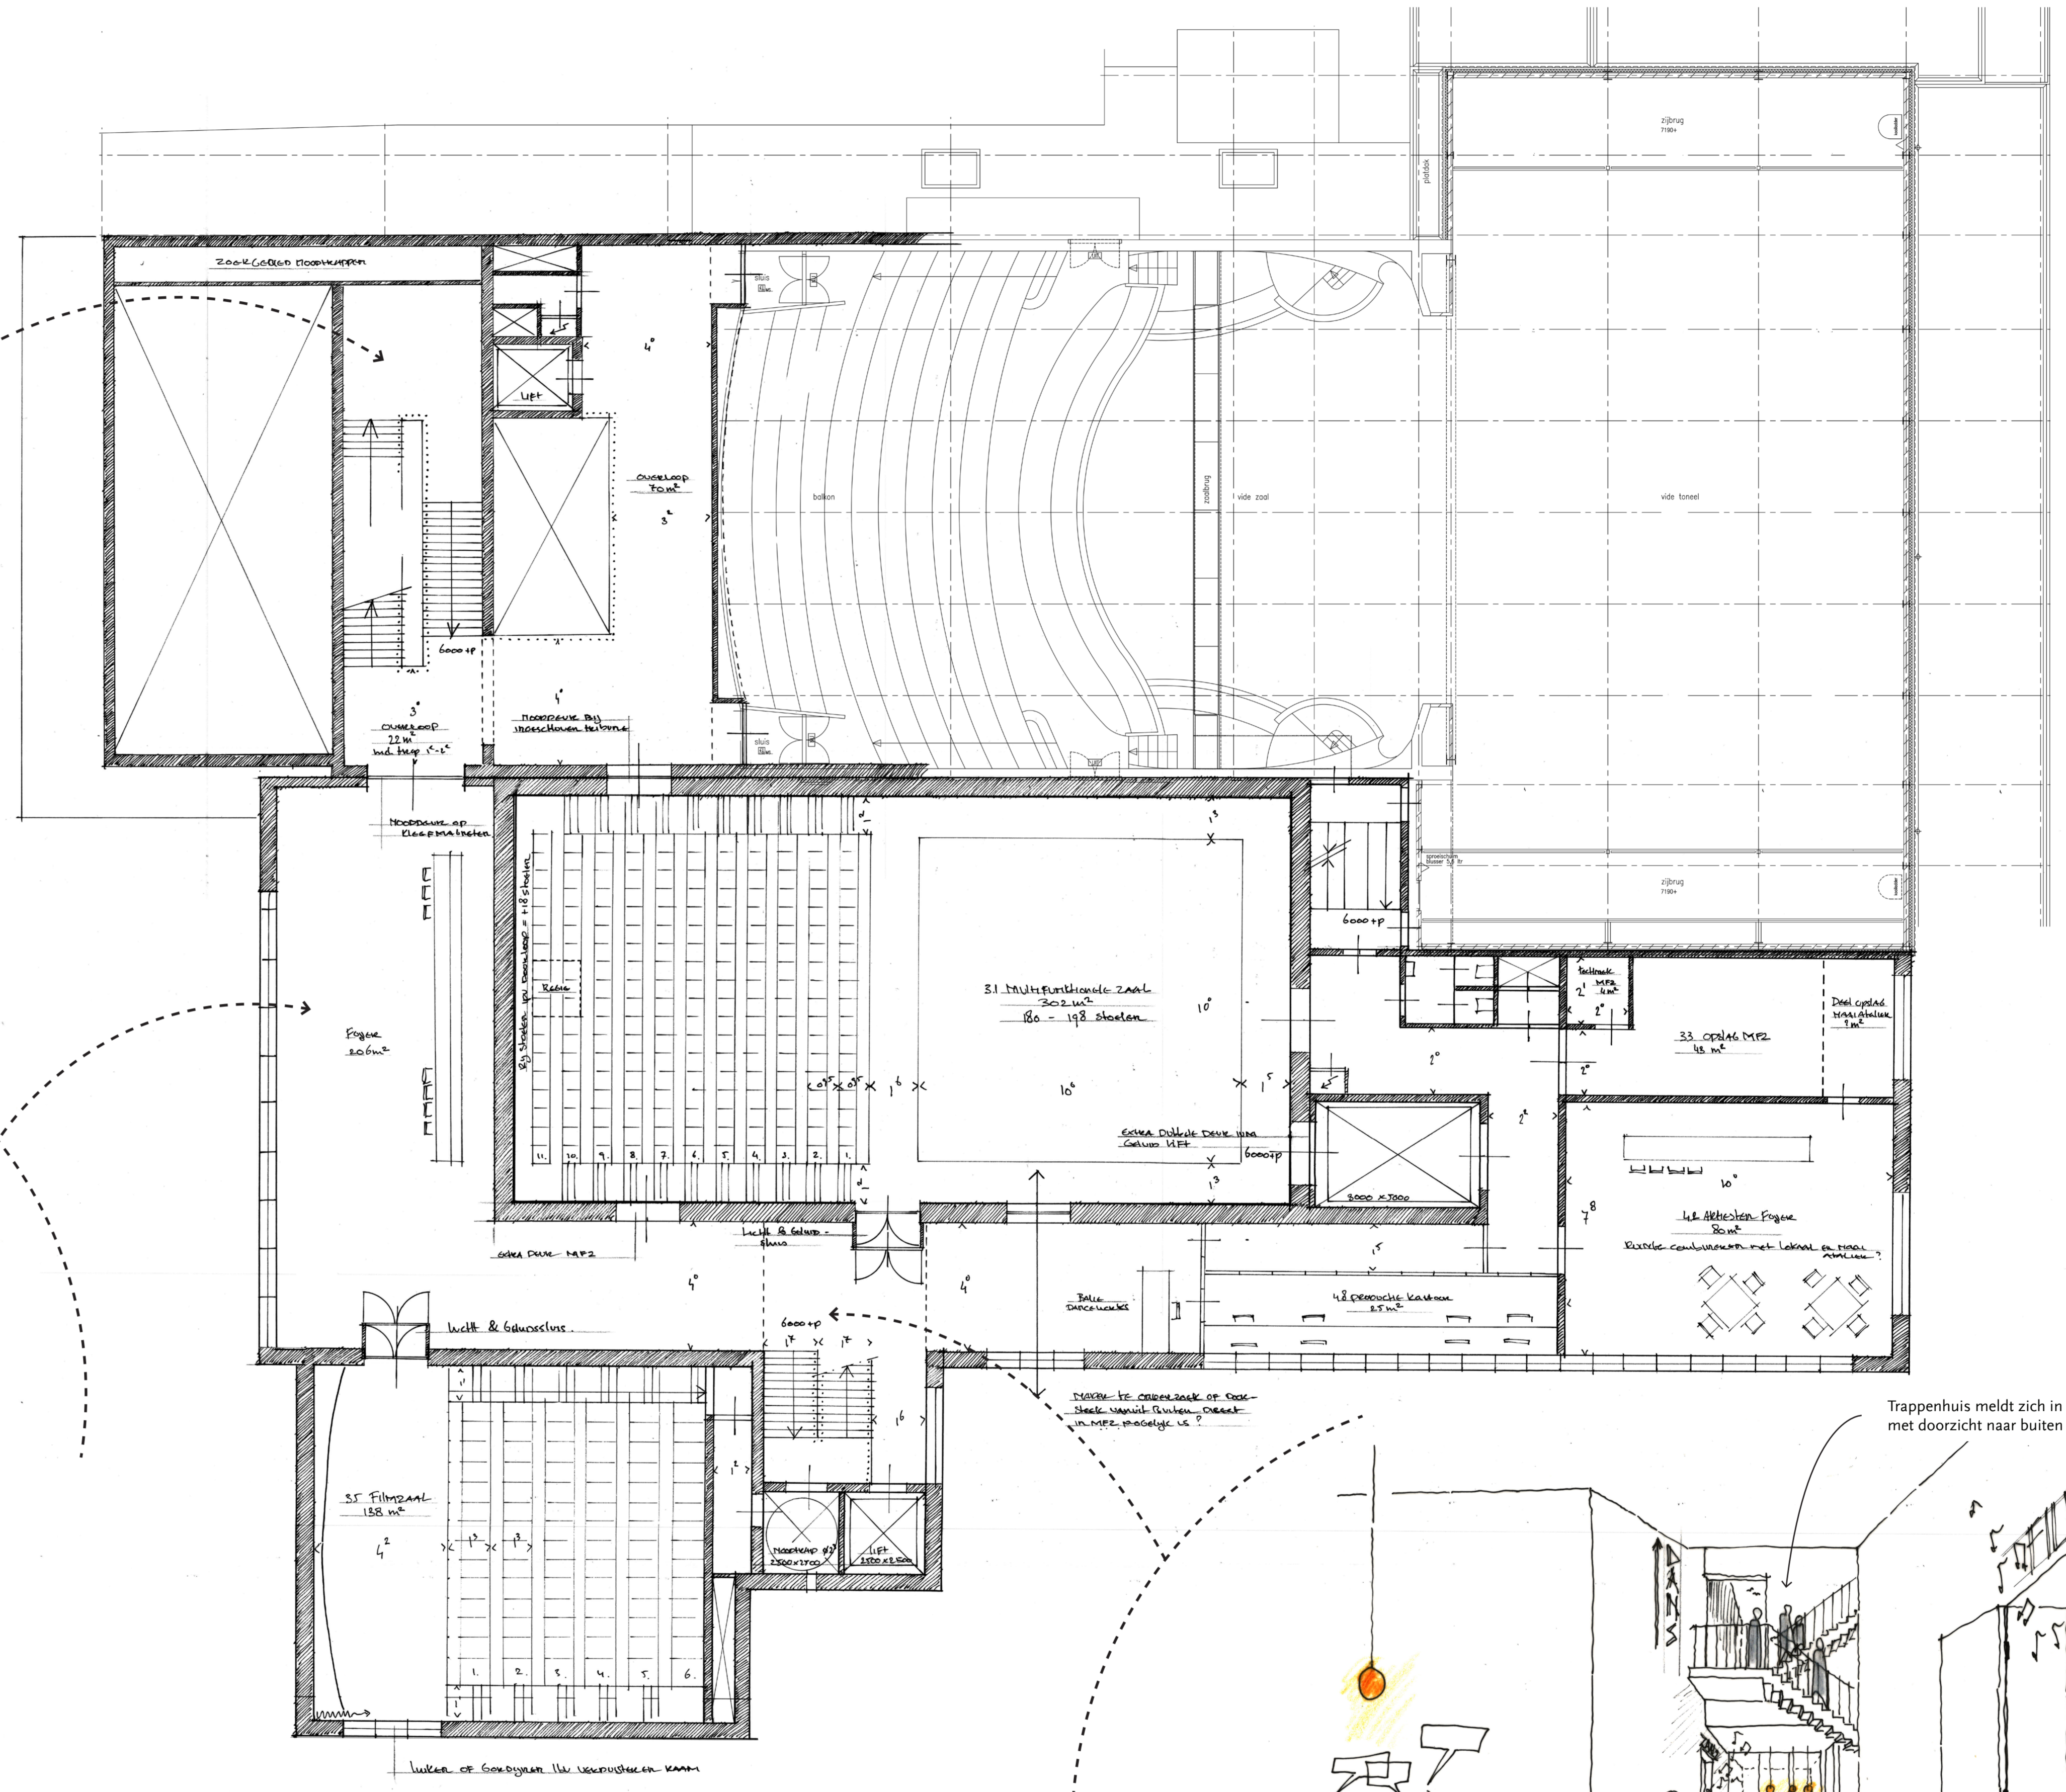

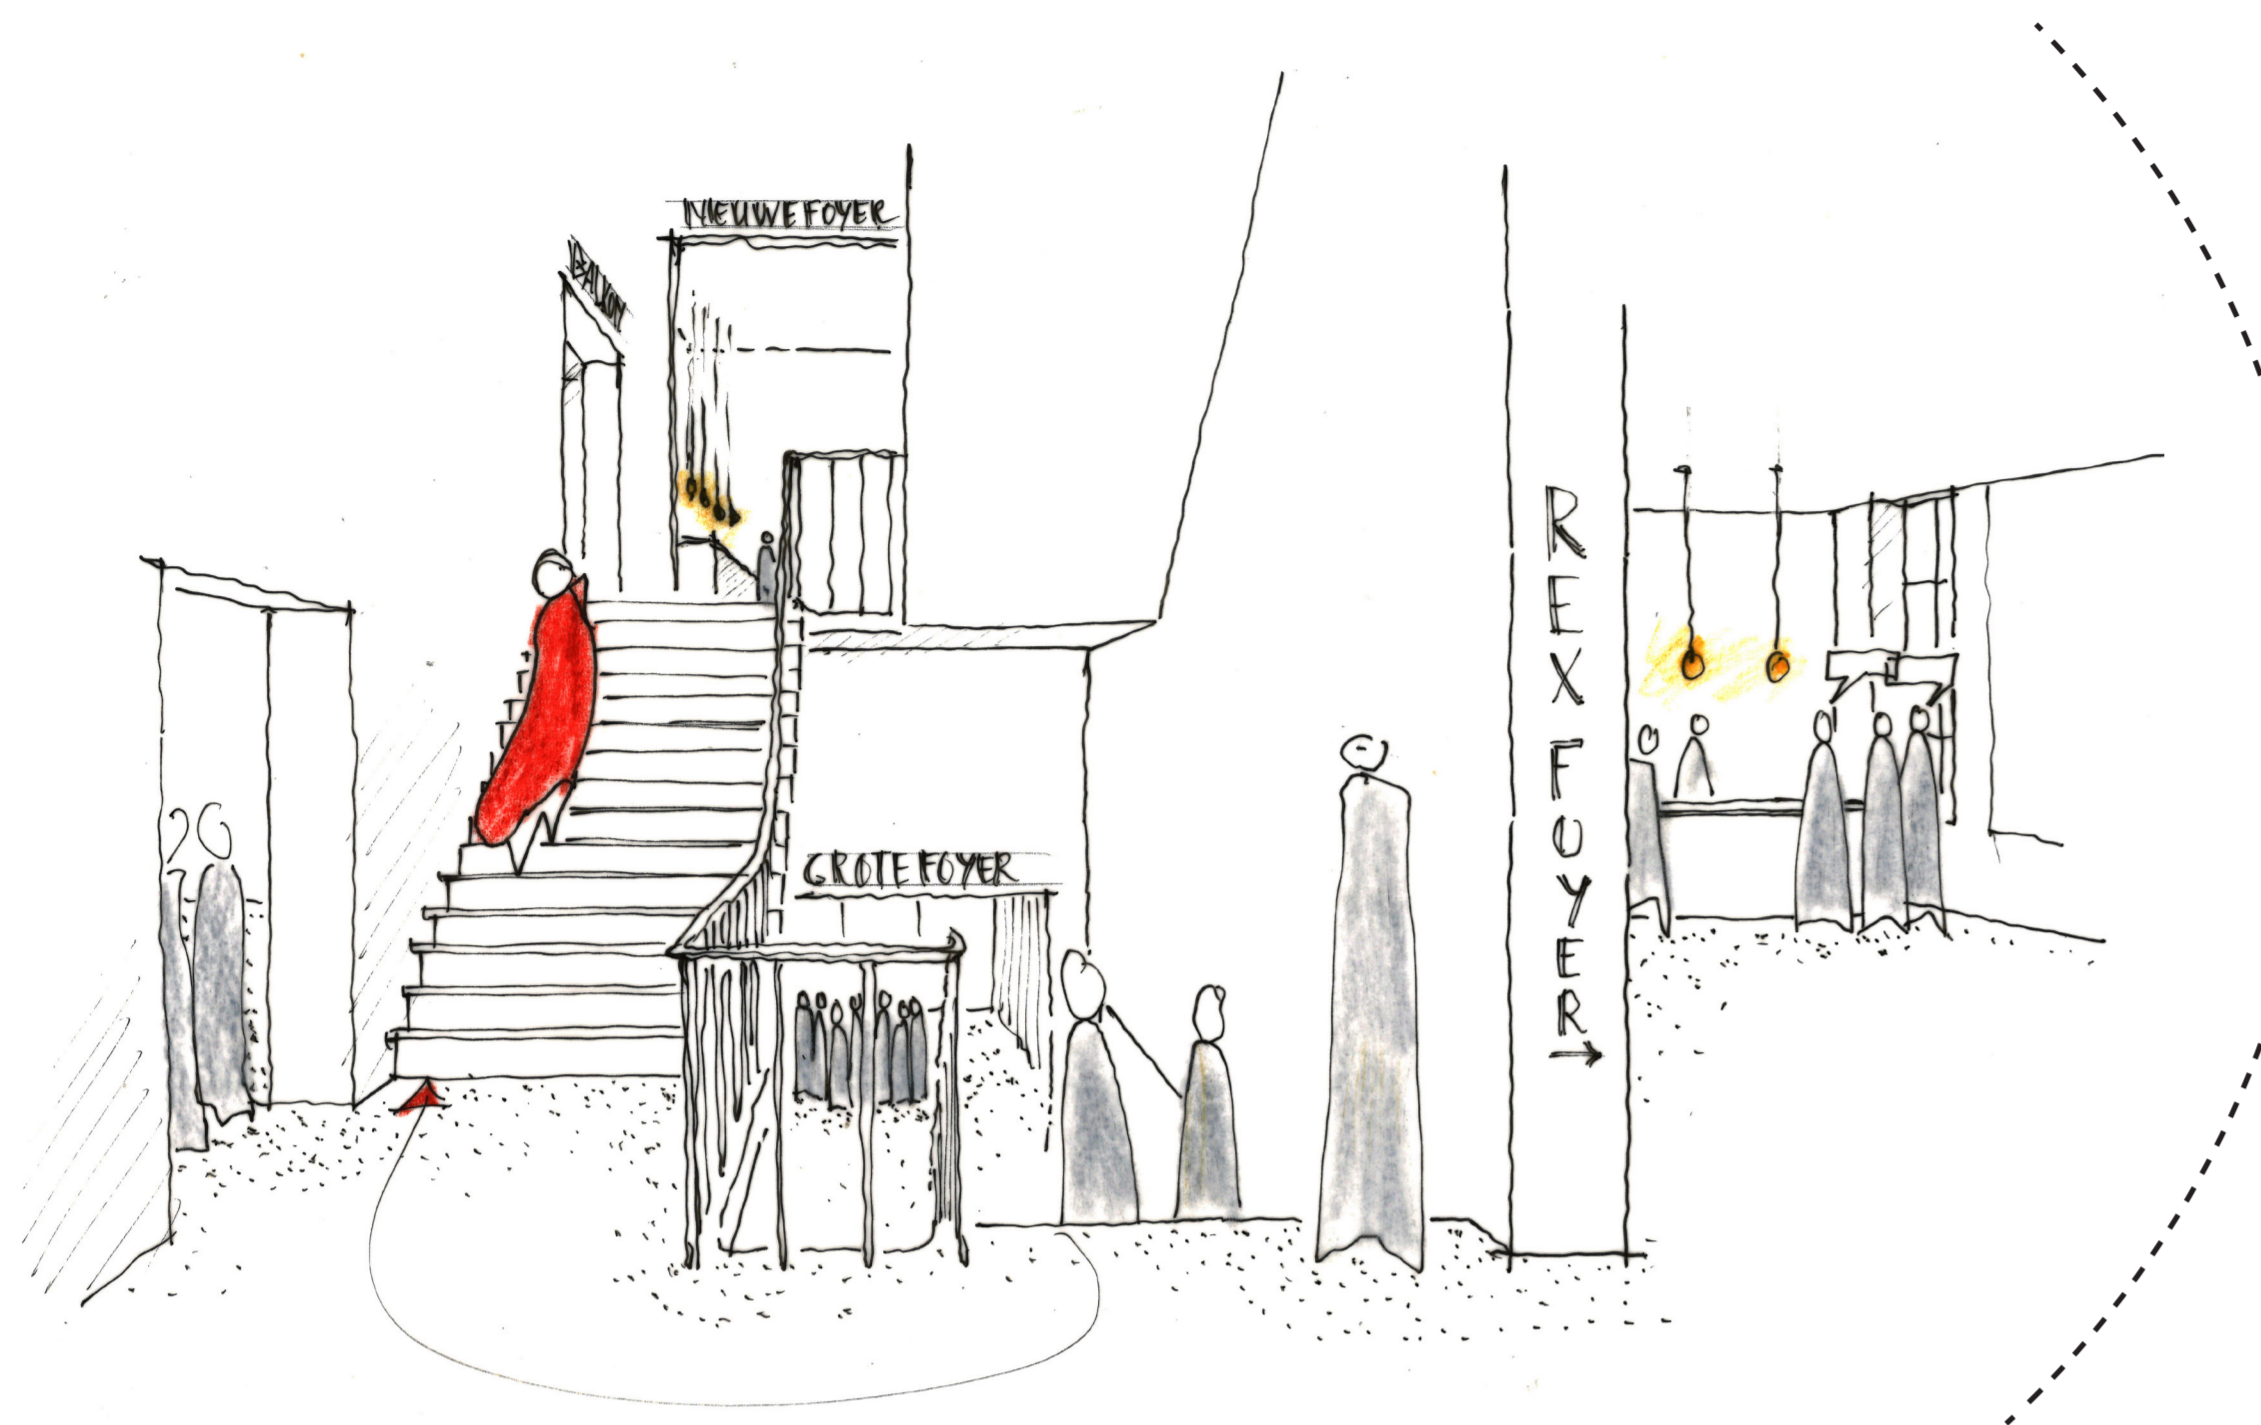

Cue power / broken window theory: elke omgeving zendt gedragsrelevante signalen uit

Zicht op waterbassin en kunst

Grote bar met direct daarachter de keuken

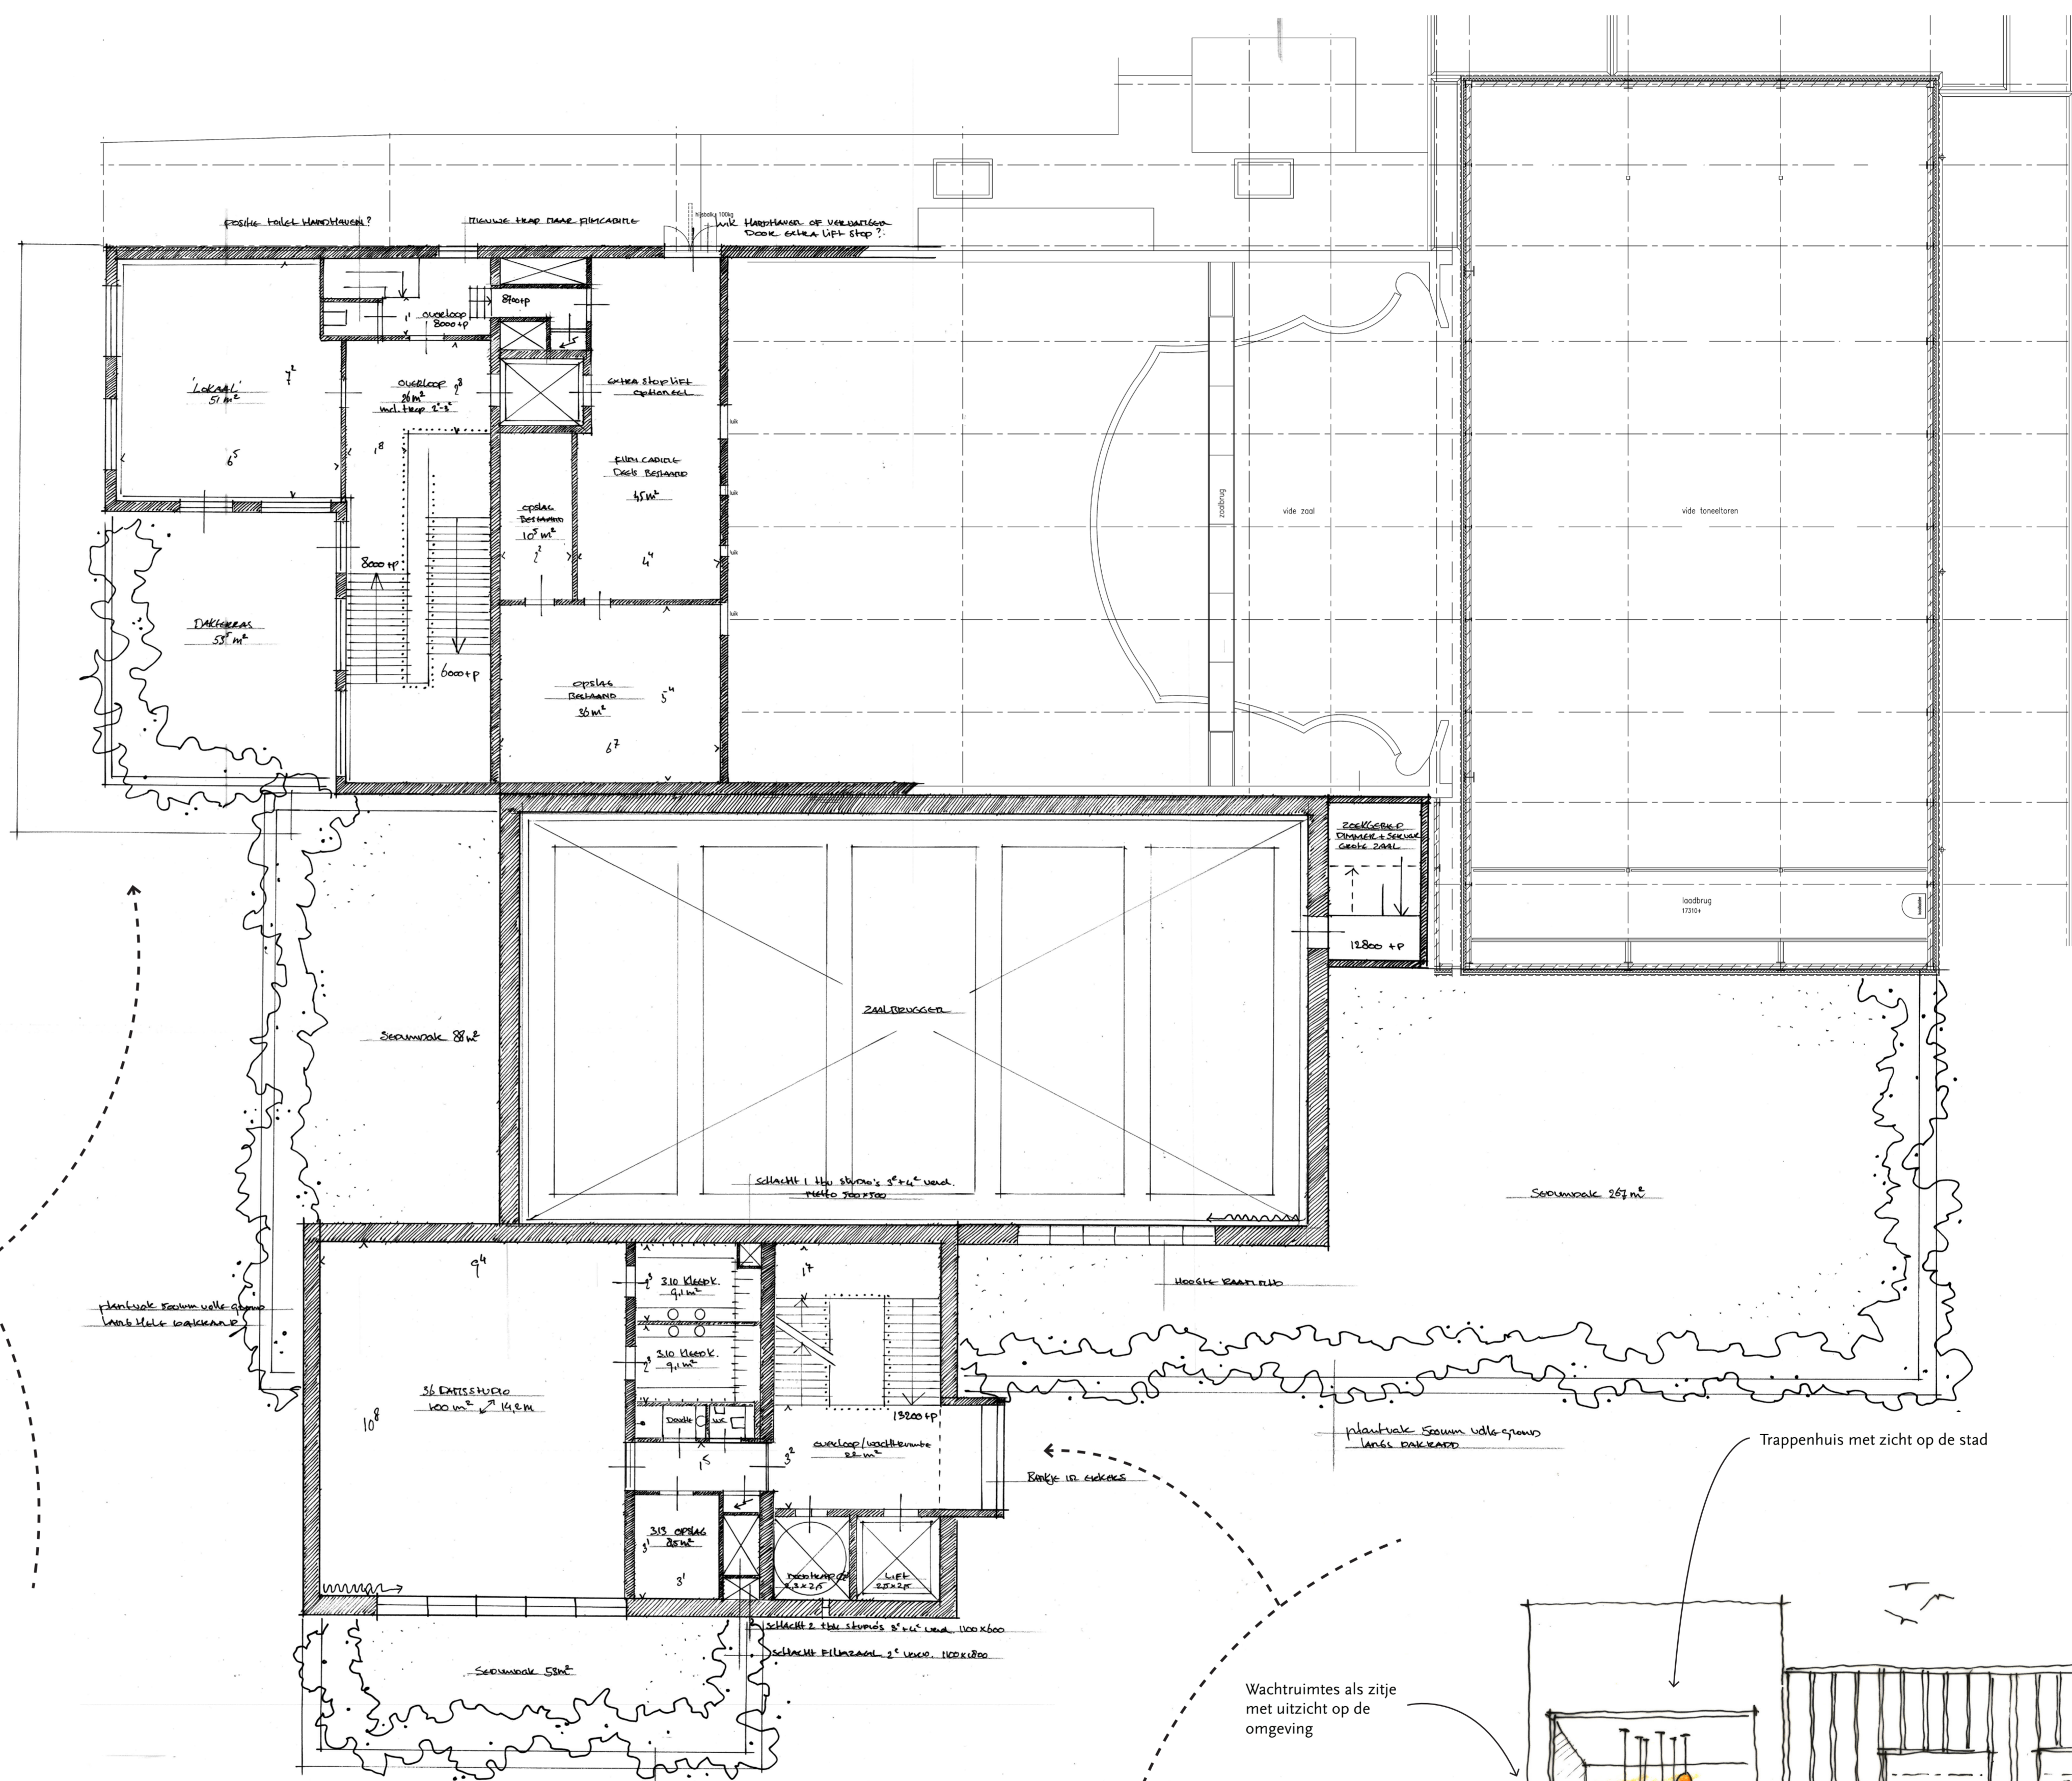

BEGANE GROND

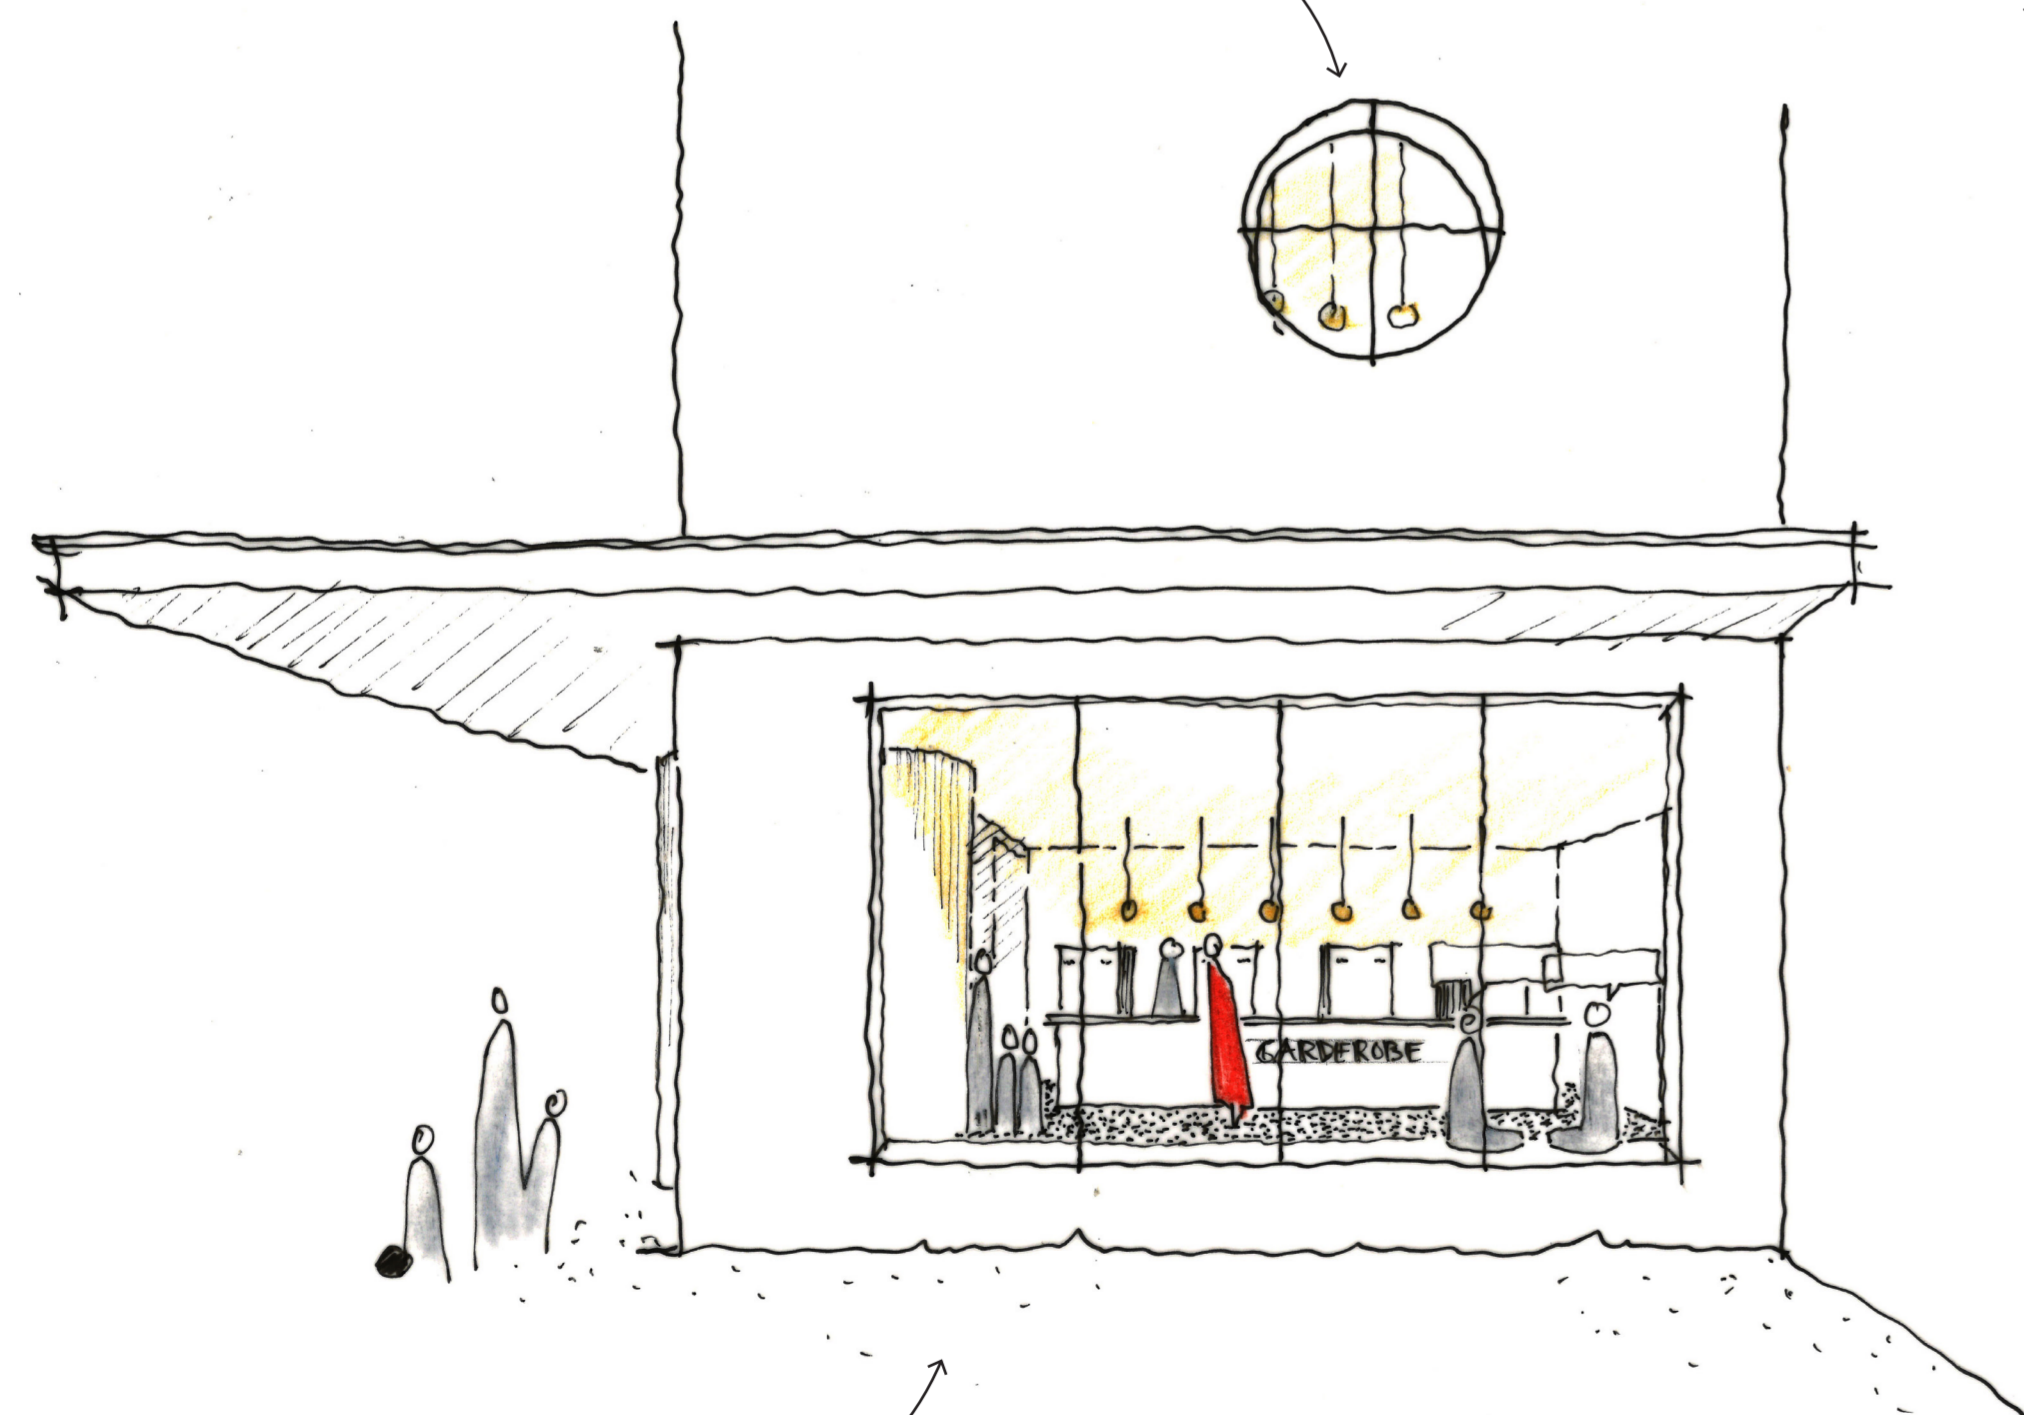

2E VERDIEPING

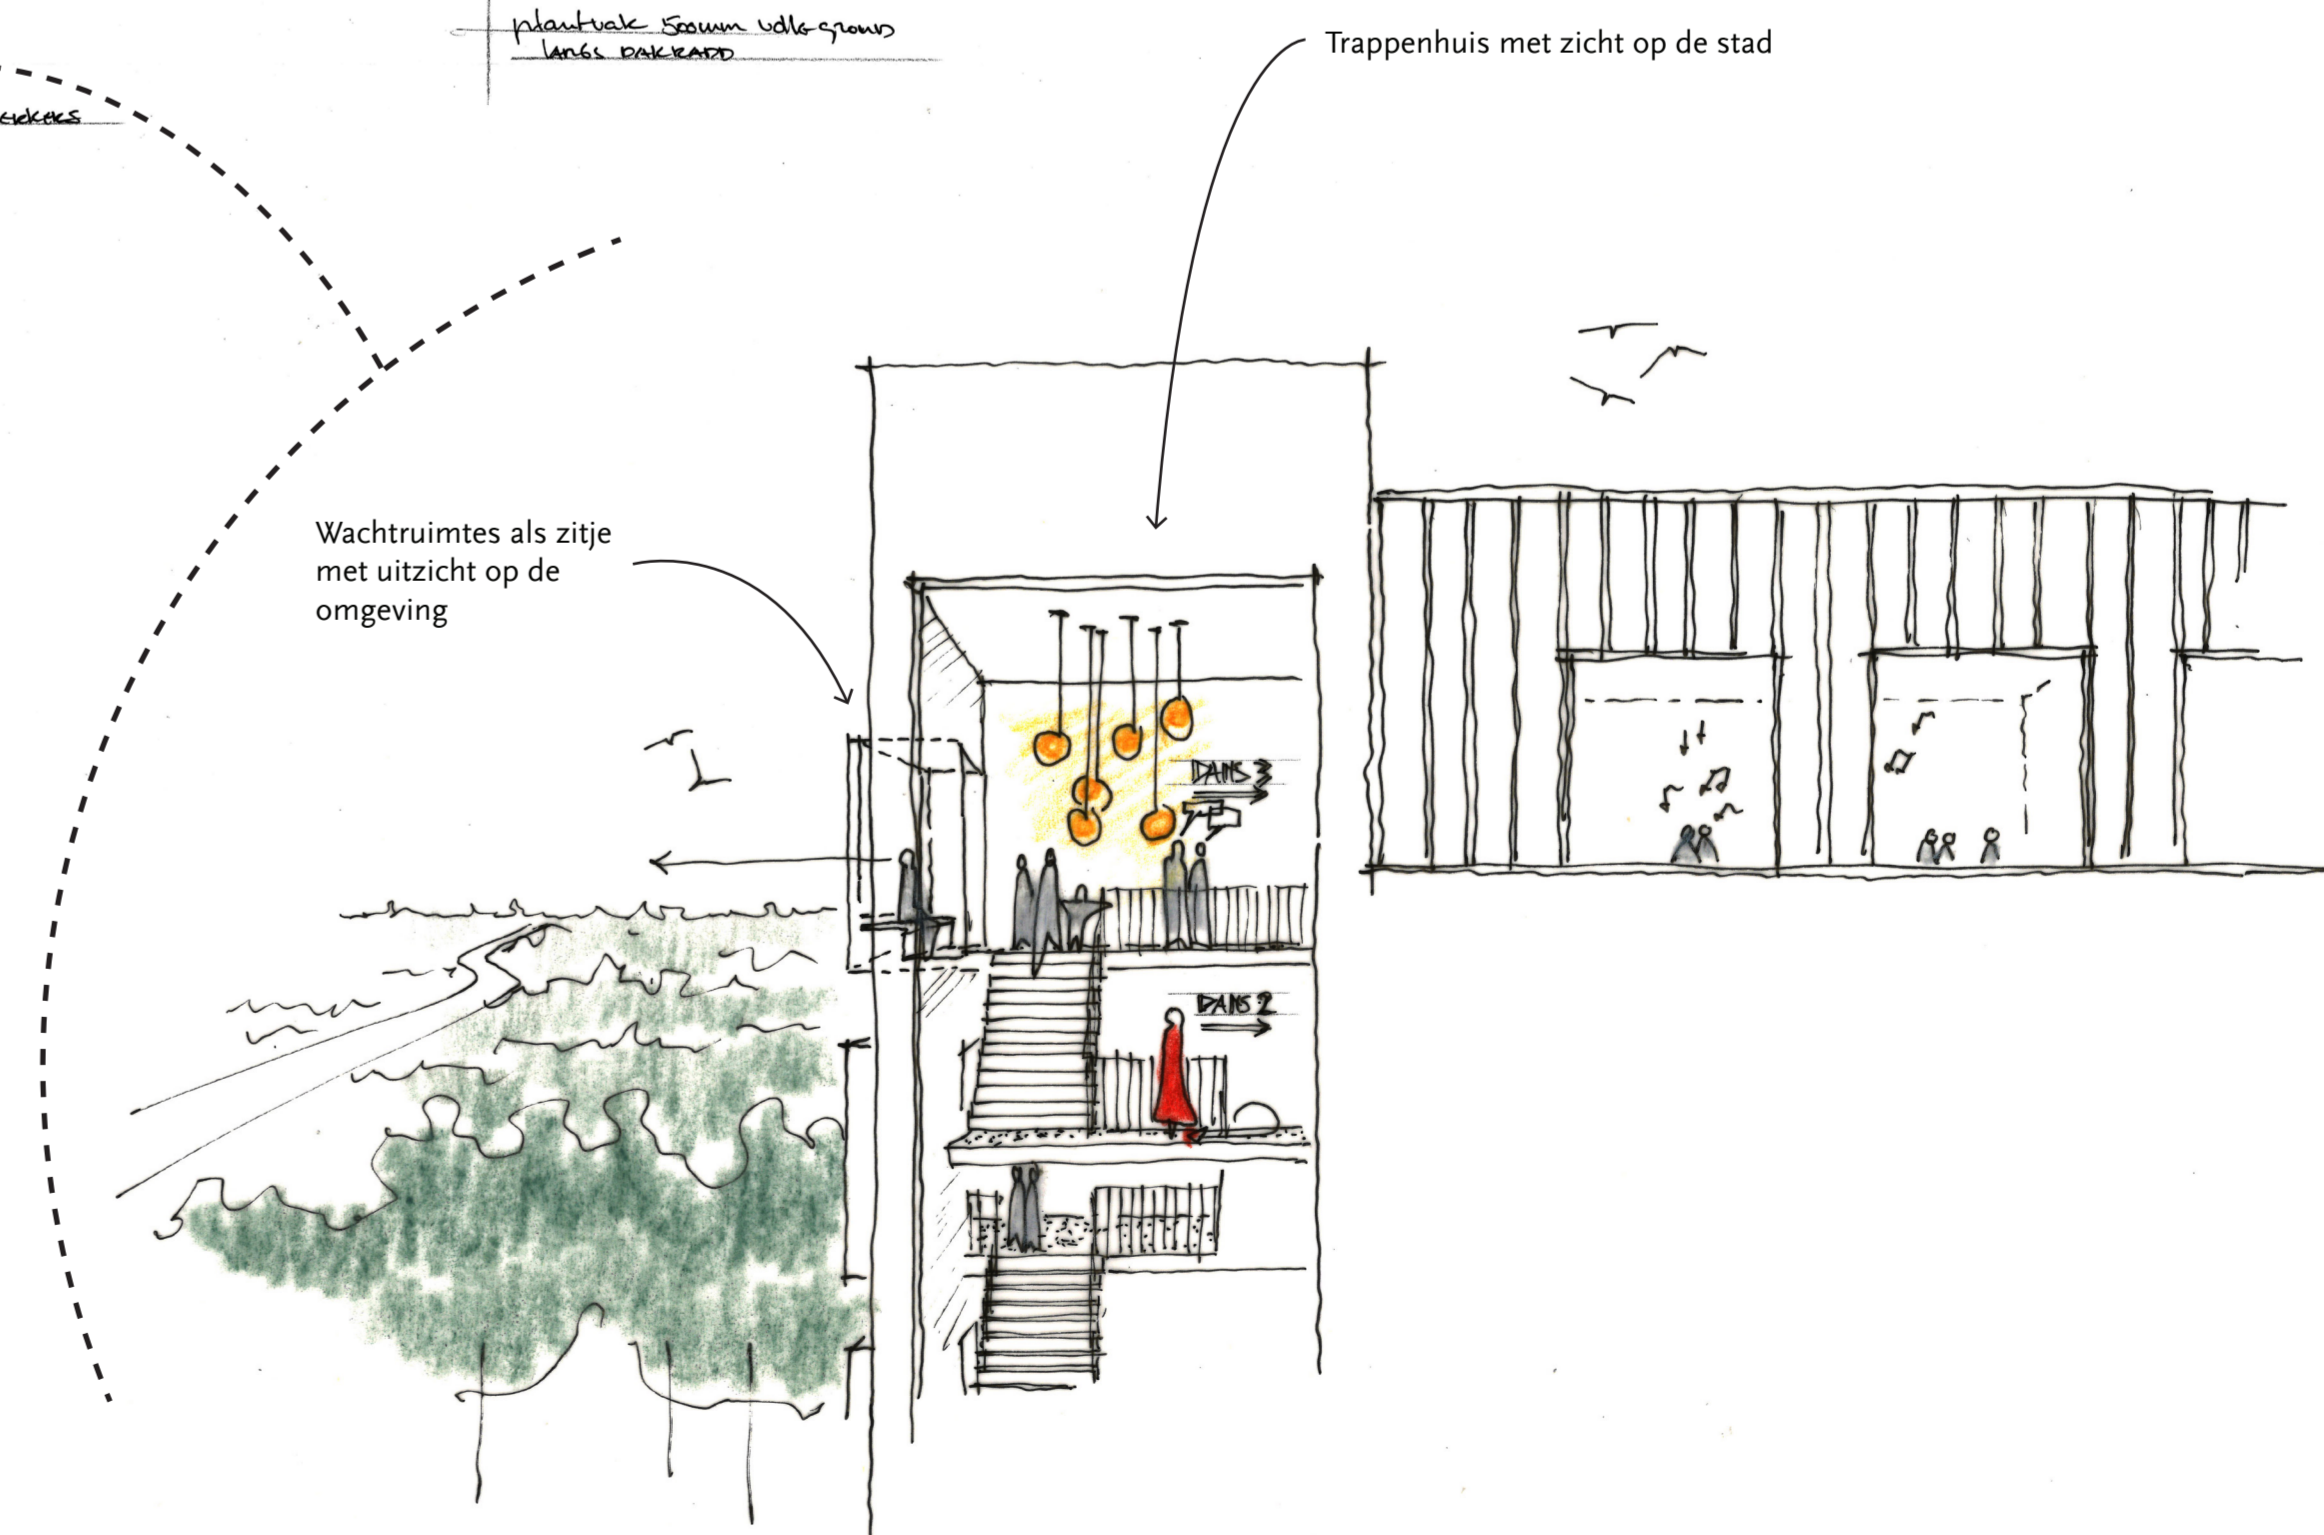

Zicht op ontvangst middels balie en garderobe

Ronde raam centraal achter bar Rexfoyer

raam met vensterbank waar mensen kunnen wachten

Wachtruimte als zijde met uitzicht op de omgeving

Trappenhuis met zicht op de stad

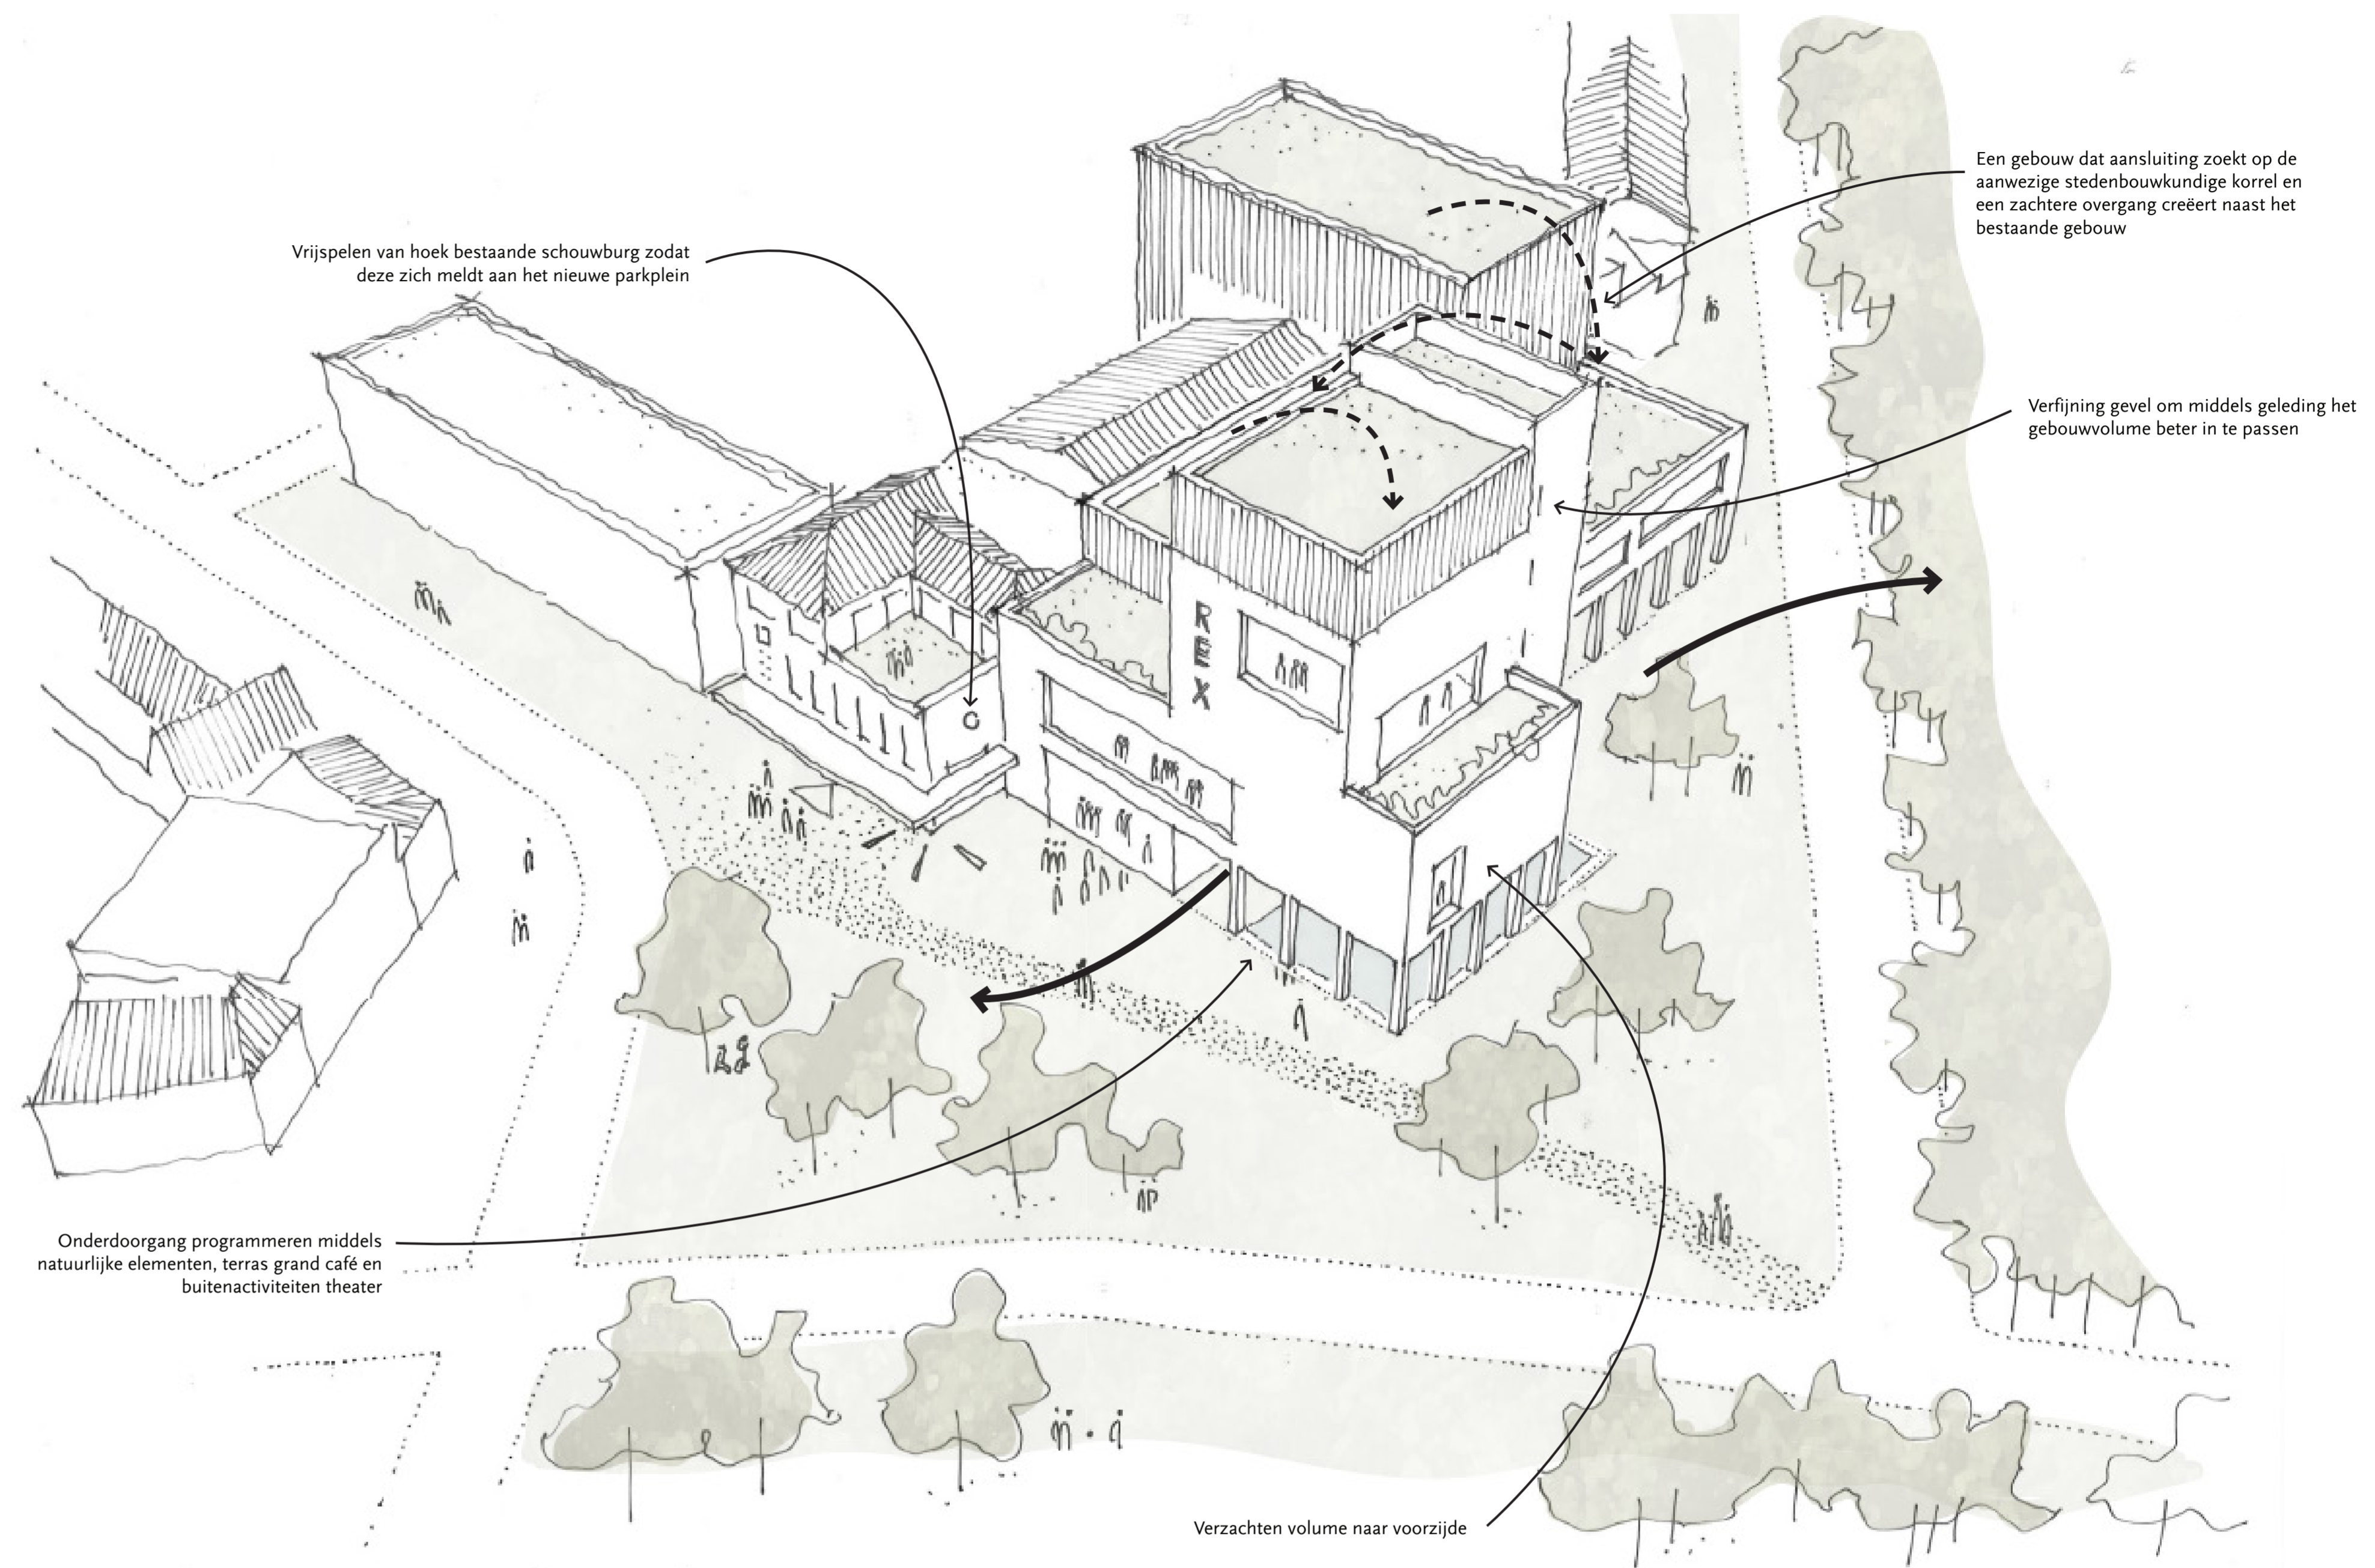

3E VERDIEPING
